

Summer Day Camp Registration

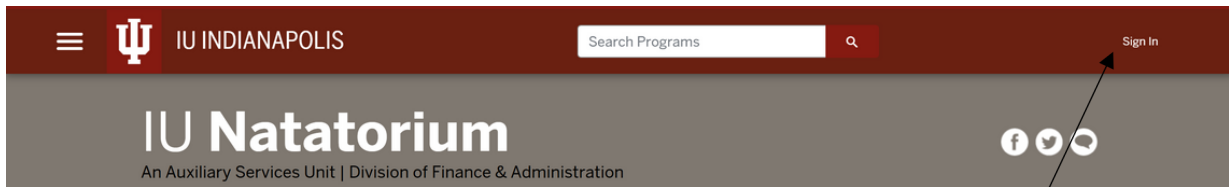

1

This registration process is not compatible with a mobile phone, please use a computer or desktop.

On the go.iu.edu/jagcamps page, begin by clicking “Register” then the red "Register Now" button.

2

Before registering, click “Sign In” in the upper right-hand corner.

3

If you are student, faculty, or staff with IU, sign in with “One.IU Login”.

If you do not have affiliation with IU and already have an account, enter your email or username, and click “Next”.

If you do not have an account, click the red “Sign Up” at the bottom.

The screenshot shows the IU Sign In page. At the top is a 'Help' link and a close button (X). The main heading is 'Sign In'. Below it is a red button labeled 'One.IU Login' with a graduation cap icon. Underneath is an 'OR' separator. Then there is a section titled 'Access for non-IU' with a text input field. Below the input field is a grey button labeled 'Next'. At the bottom, there is a link that says 'Don't have an account? Sign Up', where 'Sign Up' is in red. Arrows from the text blocks point to the 'One.IU Login' button, the text input field, and the 'Sign Up' link.

4

If you are signing up for a new account, you must create this account with your own information, not your camper's.

You will click "Next" to advance to the next screen. Continue this process until your account is finished.
